PETITIONING THE COURT

To modify the conditions of supervision as follows:

- 24 You shall complete a mental health evaluation and follow any treatment recommendations of the evaluating professional which do not require forced or psychotropic medication and/or inpatient confinement absent further order of the Court. You shall allow reciprocal release of information between the supervising officer and treatment provider. You shall contribute to the cost of treatment according to your ability to pay.

CAUSE

Recent contact with Mr. Muse, and his case manager at the Spokane Residential Reentry Center, suggests the above-mentioned modification is appropriate. In an attempt to provide Federal funding, if necessary, it is requested that the Court modify the conditions of supervision to include the aforementioned condition.

Mr. Muse was asked whether he would waive his right to a hearing and agree to the modification as previously described. As indicated by the enclosed waiver of hearing to modify conditions of supervised release form, Mr. Muse has agreed to the proposed modification.

It is respectfully recommended that the attached waiver of hearing to modify conditions of supervision be adopted requiring Alfred Muse to participate in mental health treatment at the direction of the probation office.
